

REGIONAL INVESTOR RECOGNITION

The St. Louis Regional Chamber works for prosperity by bringing the region's most respected business and civic leaders together to inspire a greater St. Louis. The capital we need to do this is raised through Regional Investors.

Regional Investors

- Underwrite leadership funding to reach our strategic destination: St. Louis is one of the Top 10 U.S. regions in prosperity by 2025 as measured by selected macroeconomic indicators.
- Support winning through regional strengths in focused economic clusters: financial services, health, logistics and biosciences.
- Support championing a better tomorrow through community leadership on three priorities: greater educational attainment, inclusion and talent attraction, and entrepreneurship and innovation.
- Support a policy agenda that drives equitable, abundant job creation and economic growth.
- Encourage our One Team culture of collaborative leadership.

The following value recognition correlates with your 5-year investment in the Regional Chamber's One Plan:
